

CITY OF SMITHS GROVE
SMITHS GROVE, KY. 42171

Minutes of the meeting of the Board of Trustees, Tuesday, August 4, 1970.

After a postponement of one month, the Board met in regular session.

The first order of business was to swear in Joe Kirn, the Board member. Judge J. W. Blue administered the oath of office to Mr. Kirn. Trustee Melton commented for the Board that we were pleased to have Mr. Kirn as a member and told him that he was unanimously chosen.

2. Trustee Melton reported that three new street lights have been installed - one on Hedge Row, one on 4th Street and one in the Webb addition.

3. Chairman Melton and Trustee Powell have met with representatives of the State regarding the water lines to the East Side rest area. Our cost will be \$4100 for the difference between the 4" line and the 6" line and we will be allowed 20 tap-ons. We have the right to place these tap ons where we want them. No decision was reached as to how much to charge for these tap-ons. Chairman Melton was of the opinion that we should charge the regular standard fee plus the extra labor and materials that would be necessary to cross the road. Trustee McGuffey suggested that the contractor give us a general idea of how much this will cost.

4. Black topping was discussed and due to the lack of extra money, it was decided to do all the patching we can and then check the condition of the streets. It was thought that perhaps Magistrate Richard Kirby could help with Laurel Avenue since this is an extension of a County Road.

5. The fire school has been completed with small attendance. Trustee Powell reported that Mr. Hardy needs an extension on the fire phone from the basement to his office. All members were in agreement. Chairman Melton reported that Charles Stewart will erect the pole to raise the fire siren at the fire station.

6. Clerk was asked to send occupational notices to Smiths Grove Monument Company, the American Oil Company and the Smiths Grove American restaurant.

7. Black topping has been completed at the cemetery and it was the consensus that this is a great asset.

8. No action was taken on the police department.

9. Judge Blue presented the attached financial statement for the water system.

There being no further business the meeting adjourned until the next regularly scheduled meeting.

Gertie Bybee, Clerk

T. C. Melton, Chairman
