Minutes of the Meeting of the Board of Trustees, Tuesday, November 4, 1958.

The Board met at 7:30 P.M. in the Director's Room of the Smiths Grove Branch of the American National Bank. Mrs. Geneva Anderson was absent. The following business was transacted:

The minutes of the meeting of the Board of Trustees on October 7, 1958 were read and approved.

1. Police Report - Clay Lawrence was fined \$19 for public drunkenness. Mr. Cassady reported that he had collected occupational licenses for Dale Wilson, Raymond Fishback and the Veterinary Clinic.
2. Trustee Denton reported that the fire siren had been installed and had already been used.
3. Equipment for the second fire truck--Trustee Thomas reported that most of the equipment had been received with the exception of a reducer which can be purchased without any difficulty. He also reported that at the last meeting of the Lions Club Chairman Lanis Martin stated that after this week they would start to work on this project. Trustee Thomas further reported that he thought it would be possible to house the second truck in the present building with a minimum of remodeling but would like to consult further with Arch Lucas before presenting a complete report.
4. Clerk reported a balance of \$667.66 in the Cemetery Fund and \$2864.87 in the City Fund.
5. Mr. Cassady reported that he had stopped the Jewel T truck and the driver did not know that he was to have a license. He was given permission to operate the rest of the day but was not to come back into town without the license.
6. Since Mrs. Anderson was absent, there was no report on the fencing of the cemetery.
7. Under new business Mr. Cassady reported that the fire station needed some roof repair. It is leaking now and should be fixed before bad weather. A motion was made by Trustee Thomas that Mr. Cassady take care of this. Mr. Denton seconded the motion. There were no dissenting votes.
8. Mr. Cassady reported that he had some complaints from neighbors of Wilton Thomas to the effect that his barking dog was disturbing them. It was the opinion of the Board that the neighbors discuss this with Mr. Thomas without getting the Town Board involved.
9. Old occupational licenses -- A motion was made by Trustee Thomas and seconded by Mrs. Jordan that ten days notice be given to each past due account and then arrangements must be made for payment either in monthly payments or at once or else the doors would be closed. Clerk is to give a copy of the letter to Mr. Cassady for personal delivery. No dissenting votes.
10. Mr. Thomas made a motion that Mrs. Ruth Gibson be refunded the unearned portion of her occupational taxes. Mr. Denton seconded the motion. There were no dissenting votes.

11. A discussion was held as to the fire siren. A new siren had been installed which requires you to hold the button before the siren will continue blowing. It was suggested that a glass be put around the siren. Mr. Smith said he would check with the fire marshall as to the fine for breaking the glass. He also said he would contact the fire marshall and ask him to contact Mr. Cassay regarding the person who blew the fire siren on Halloween night.

There being no further business, the meeting adjourned until the next regularly scheduled meeting the first week of December.

These minutes have been written into the records this 4 day of November, 1958.
